

## GAPF - Pipe laser welded flange

Galvanized steel - Flanged edge

Laser-welded galvanised steel tube with pull ring edge. Length-wise seam from  $\text{Ø}450$  mm. Used for dust extraction and transport of lighter material such as dust and wood shavings. Wall thickness = 0.7-0.9 mm.

GAPF - Pipe laser welded flange

Pipe - drawing. See measurement in the table.

Art.no	Ø (mm)	L (mm)	Weight (kg)
